PROFILE

Medical Facilities Corporation, in partnership with physicians, owns surgical facilities in the United States. Medical Facilities' portfolio includes controlling interest in five specialty surgical hospitals located in Arkansas, Indiana, Oklahoma and South Dakota, and an ambulatory surgery center located in California. In addition, through a partnership with NueHealth LLC, Medical Facilities owns majority interest in seven ambulatory surgery centers. The specialty surgical hospitals offer a range of high volume, non-emergency surgical, imaging, diagnostic, and pain management procedures, and other ancillary services such as urgent care and occupational health. The ambulatory surgery centers specialize in outpatient surgical procedures, with patient stays of less than 24 hours. Medical Facilities also owns controlling interest in a diversified healthcare service company located in Oklahoma City that provides third-party business solution to healthcare entities such as physician practices, facilities, and insurance companies.
